

YEAR 5

TEACHERS

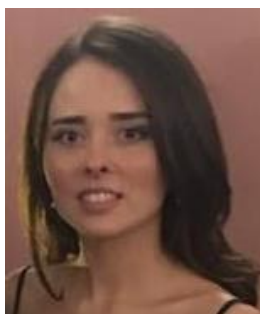

Hi! My name is Miss Dean.

I am one of the Year 5 teachers and the Science leader. Because I have been in Year 4 for a while, I'm looking forward to teaching you new things, particularly Space in Science. I'm excited for next year because I get to see all of you again; I hope you do not mind me teaching you for another year! I am also very excited about being a part of the Upper Key stage 2 Summer Production as I love singing and dancing.

Hi. My name is Mrs Thomas.

Next year, I will be a Year 5 teacher sharing a class with Miss Fortune. I'm looking forward to teaching the Year 5 curriculum, especially Art and Design Technology. I also love some of the Year 5 topics such as Space and The Ancient Greeks; I find history fascinating. Because I get to teach you all again along with Miss Fortune, I'm excited to get back to school!

Hello everyone! My name is Miss Fortune.

My job is Year 5 teacher where I share a class with Mrs Thomas (5TF). I'm looking forward to continuing our Pixmore journey together after what has been an unusual end to Year 4. I'm keen to get back to school because the topics we cover in Year 5 are really fun and I get to enjoy them with you, Mrs Thomas and Miss Dean!

Hi Year 5s! Mrs Inman here. Most of you know who I am as you often see me around school or in assemblies. My role in this year group is linked with Literacy. I will have a literacy group who I will meet 3-4 days a week and we will work in the Lab. As Deputy Head and English Leader, I like to work with as many children as I can to help and support them with their English work. I'm looking forward to seeing you all again and working with as many of you as possible next year - we've got lots of new units to explore and try out! I'm very much looking forward to next year's writing project - I'd better get choosing a book!!

My name is Miss Pocock.

I won't be working directly with you next year but, as I am the Upper Key Stage 2 Lead Teacher you will see me around, especially if we do Year 5 and 6 joint activities such as the Christmas carol concert and the end of year play. I'm looking forward to getting to know you all a little bit better and I'm excited for next year because I've been told you are excellent learners.

SUPPORT STAFF

Hi. My name is Mrs Connor. I will be supporting in Year 5. You will see me in the class room and around the school. At school, I will help you remember the rules and remind you of how to follow them when you are finding things difficult. I won't judge you, instead will be there for you, to support you with anything you need to talk about. There is nothing to big, small, silly or scary that you cannot tell me. I'm proud to work at Pixmore because it provides a family-like environment, where children are accepted and supported, whatever their situation.

Hi 😊

I'm Mrs Glatzhofer and I will be supporting in Year 5 with your learning. We've already worked together before so I'm looking forward to supporting you all again. I'm really creative and artistic and love sharing my crafting skills so I'm eager to get back to school to do all the creative projects in the Year 5 curriculum.

Hi!

My name is Miss Dougherty. I'm really excited to be supporting your learning again next year and working with you in Year 5. It is great that we already know each other and can get used to being in a new classroom together. I'm looking forward to seeing you all again, I expect you have all grown lots!
