Look at the verse and chorus structure of the song as you listen to it. Learn the song.

Verse 1

Amazing Egyptians,
Exciting Egyptians,
Amazing Egyptians,
Exciting Egyptians.

Verse 2

Ancient inscriptions,
Dramatic depictions,
From ages before us,
Now here comes the chorus.

Chorus

To be amid the pyramids,
To ride in style down the Nile,
Having a rare old time with a Pharaoh,
Worshipping cats, cows, jackals and
crocodiles.
Here's looking at ya, Cleopatra,
Tutankhamen, come and take me back in time.

Verse 3

Known as a nation
For mummification.
They wrote on papyrus
And how they inspire us!

Chorus

To be amid the pyramids...

Verse 4

Who was the nicest,
Osiris or Isis?
Anubis or Horus?
Now back to the chorus.

Chorus

To be amid the pyramids...

Coda

Here's looking at ya, Cleopatra,
Tutankhamen, come and take me back in time
Here's looking at ya, Cleopatra,
Tutankhamen, come and take me back in time.
