13th March 2020

Dear Parents/ Carers

As you are aware, the spread of Coronavirus is a nation concern. Like other schools, we at Pixmore will always follow government and local authority advice and at this moment in time it is business as usual but as you would expect from all schools, an even greater emphasis on hygiene and cleanliness.

Please follow the advice and guidance in the attached leaflet and be assured that we are following age appropriate advice for the children with regard to this outbreak.

Please can parents make sure children have tissues and their own water bottle, which needs to be taken home and cleaned on a daily basis. At the present time, we have sufficient anti-bacterial gel stocks if used appropriately.

In addition, following our own risk assessments we will modify some lessons to reduce risk of sharing equipment and additional contact between children and have decided that cooking lessons will be postponed until next term.

Several year groups have trips arranged and we are seeking advice as to whether these will go ahead or postponed. We will let parents know as soon as we have the relevant information to make a decision.

In the event of a directive from HCC or the Government stating that there will be school closures, we will alert you through our usual processes: Parentmail, school website, MME and this year our school Facebook page. We will not close for any other reason. If this is for a prolonged period, there will be an additional letter with information and a pack for each child as well as information and advice.

Yours sincerely,

A handwritten signature in purple ink, appearing to read 'Alex Evans'.

Mrs. Alex Evans
Headteacher
