19th March, 2020

Dear Parents/ Carers

As you are aware, following the Education Secretary and Prime Minister's briefing late yesterday afternoon, we are hoping to seek further clarification regarding the implications for our school today. We will keep you fully updated once we have received this from our local authority and I have liaised with other local schools. Thank you for your support at this unprecedented time.

We understand that many of you will have questions about the weeks ahead, please be assured that we will pass on all the information we have to you. Our main form of communication will be Parentmail and Marvellous Me App with information posted on the website and Facebook page too.

As I'm sure you can imagine, every member of the Pixmore School team will be working hard to ensure that the next few days run as smoothly as possible. To assist us with this, please try to avoid phoning the school office unless it is absolutely necessary.

Once we further information we will be in touch, but if you think your job is classed as a 'Key Worker role' then please email the office in the next 24 hours; or if you are DBS checked and could offer the school support in this period, then this would also be helpful to know.

We would want to make our last Friday of normal operations uplifting and positive, so I hope as many children will be able to attend school (as long as they are fit and healthy) as we will also be sending out the mid-year reports and will be preparing the children for their learning over the next few weeks.

Yours sincerely

Mrs Alex Evans
Headteacher
