

YEAR 3

TEACHERS

Hi everyone!

My name is Miss Lyons.

My job is Year 3 class teacher and Geography Lead.

I'm really looking forward to welcoming you all to Pixmore, getting to know you and helping you transition well into Key Stage 2. We have lots of great activities planned (such as school trips and topic days) and I know we will have a lot of fun learning together!

My name is Mrs Johnson. I will be one of the Year 3 teachers and I am the co-ordinator for the Humanities Team. I am really looking forward to working in Year 3 next year and welcoming all the new pupils to our fantastic Pixmore community. We have some fabulous curriculum ideas to help all the children thrive and develop as individuals so I am extremely excited for next year.

Hi everyone! My name is Mrs Ratibb.

I am the Lower Key Stage 2 leader, a Year 4 teacher, a Maths Mastery Specialist, Maths Leader and MFL Leader.

I'm looking forward to meeting you all when you come to Pixmore! Although I will not normally be teaching you, I'm excited for next year because I will be able to get to know you when you put on your first Pixmore play at Christmas with the Year 4s!

SUPPORT STAFF

My name is Miss Adkins. I will be working in Year 3 supporting you with your learning. I know starting at a new school might seem a little bit daunting but I am very much looking forward to meeting you all and helping you settle in.

Hello,
My name is Mr King and I'm the Keyworker for Year 3. You will see me when someone needs support or if you have any concerns or worries. Before working at Pixmore I was a Paramedic and before that a Firefighter but I love working at Pixmore now as everyone is so supportive of each other.

Hi
My name is Mrs Matthews.
I will be supporting in Year 3.
I am proud to work at Pixmore; Pixmore is a caring community of staff and children who love learning together. When I'm not at school, it's wonderful to be outside in my garden or in the countryside with my grandchildren!
