

YEAR 6 TEACHERS

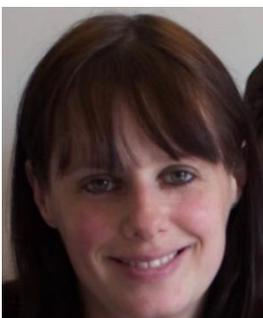

Hi! My name is Miss Pocock. I am one of the Year 6 class teachers but I am also the Upper Key Stage Lead teacher and the Computing Lead teacher for the school.

I'm looking forward to meeting you all properly and getting to know you a bit better (even though we will have already met each other lots of times around school). I can't wait to be back at school and to have a fresh start. Because it will be your last year at Pixmore, I'm looking forward to helping you make the most of it with lots of great learning and fun activities.

Hi Year 6! My name is Mrs Bowden and I have taught in year 6 for a few years now. I love teaching and sports, so sometimes like to help Mr Willard out with the amazing sporting opportunities throughout the year.

I'm looking forward to meeting you all and finding out the special qualities that make you you! The year 6 journey is inspiring, tough but worth it and extremely memorable. I can't wait to share that with you. I wonder what experiences you will have that will become lifelong memories for you?

Hi Year 6s! Mrs Inman here. You all know me from Year 3, Year 4 and Year 5 as I've been lucky enough to teach you on and off all the way through your time at Pixmore. My role in this year group is linked with Literacy mainly. I will have a literacy group who I will meet 3-4 days a week. Sometimes you might also have me for other lessons where either Miss Pocock or Mrs Bowden need covering. As Deputy Head and English Leader, I like to work with as many children as I can to help and support them with their English work. I'm looking forward to seeing you all again (I've missed seeing you all around school) and working with as many of you as possible next year - we've got lots of new units to explore and try out!

SUPPORT STAFF

My name is Mrs Court. Some of you may already know I love watching football, especially watching my daughter play.

I will be there in the lessons in Year 6 to support you and sometimes I will also teach your lessons. I am proud to work at Pixmore because we pride ourselves in being kind and respectful to each other. I looking forward to seeing you all in Year 6.

Hello.

My name is Mrs Stone.

I am a Year 6 teaching assistant and lunch time assistant and I'm looking forward to supporting you all in Year 6.

I'm excited for next year because in Year 6 we have so much fun, also it is your last year at Pixmore so lots of memories will be made.

Hi 😊

My name is Mrs Hector. I will be the key worker supporting in Year 6. I am a very good listener who will always help you with your worries no matter how big or small. I'm proud to work at Pixmore because it is such a happy and positive place, full of amazing children and adults.
