

LO: To count on and back in tens and hundreds (with 2 and 3 digit numbers.)

Find the solutions to the following:

- 10 less than $8 + 5$
- 10 more than 5×10
- 100 less than 298
- 691 and 10 more
- $3 \times 5 - 10$

Use a 0-9 dice, roll three times to create a 3-digit number.

Then build, draw, say and write numbers: one more / less, ten more / less and one hundred more / less.

Pupils to complete several of their own.

One less	
___ hundreds, ___ tens and ___ ones	

Ten more	
___ hundreds, ___ tens and ___ ones	

One hundred more	

--	--	--

Ten less	
___ hundreds, ___ tens and ___ ones	

One hundred less	
___ hundreds, ___ tens and ___ ones	

One more	
___ hundreds, ___ tens and ___ ones
