

7th Literacy
September 2021

Today we are going to start a new unit based on a book....

However, I will not be revealing the book until much later.

We will build up to the big reveal!

We are going to listen to an audio clip.

Can you tell me what you can hear?

What are they doing?

What do you think might be going on?

- What is going on in these pictures?
- What do they have in common?

Let's discuss these words and phrases and what they mean...

Fever pitch

Tension

Passion

Zealous crowds

Sharing an experience

Anticipation

With your partner have a think about if...

You have ever been in a large crowd? Maybe a football match or funfair?

What did you and others in the crowd do?

If you haven't experienced being in a large crowd, what do you imagine it to be like?

By the end of the unit you will have written a piece about a time when you were involved in an exciting event and you will try to convey this excitement to the reader through their writing.

I'm going to tell you about a time I was in
an exciting crowd.

Get ready to listen carefully...

What do you think of my recount?

What did you like? Or not like?

Can you use some good vocabulary to describe what you think?

You probably heard some language that you might not understand. We are going to RAG rate them. Does anyone know what I mean by RAG rate?

- In pairs you are going to have a list of words.
- You are going to group them
- Red- I'm not sure what this word means
- Amber- I think I know what this word means.
- Green- I know what this word means and I can use it in a sentence.
- Can they put any into a sentence? Does that help them to understand it's meaning?
