## Ancient Egypt

When I went to ancient Egypt,  
the golden sphinx shone brightly like the sun.

when I went to Anceint egypt,  
A salty smell from the river Nile

when I went to Ancient Egypt  
One pointy pyramid towered over the land.

Once you have edited your poem.  
You're going to write it up on the paper.

If we all finish we will look at a different

- Do we recognise this poem style? 5-7-5 structure

Let's clap the syllables and count them?

What could I trim, add on or add in to make this poem a haiku?

## Ancient Egypt

There was a sinister silence,  
Pharaoh in a tomb,  
A Stone Sphinx guarding them.

With your partner you are going to create your own Egyptian Haiku...

Make sure it has the 5,7,5 structure!
