LO: To use formal addition with no regrouping (th, h, t, o)

Solve this using the column method:

Helen says if she adds her Science score to her English score she had more than Mike. Is this true?

<u>Helen</u>	<u>Helen</u>	<u>Mike</u>	<u>Mike</u>
Science 5432	Maths 4425	Science 3653	Maths 4829
History 3345	English 4601	History 4250	English 4070

In an RE test the children all scored 1211. What did they score altogether?

<u>Todd</u>
RE 1211

<u>Helen</u>
RE 1211

<u>Mike</u>
RE 1211
