

Other Subjects Week beginning 28th September

Science – Earth and Space

Watch this clip

<https://www.bbc.co.uk/bitesize/clips/ztwykt>

The Earth is constantly spinning.

Only half of the Earth will be facing the sun at any one time.

It is daytime in the UK. In what countries will it be night-time?

Watch this clip to find out.

PE – Complete two hours of exercise over the course of the week. You might like to follow something online eg P.E with Joe or you could create a circuit of simple activities to complete in your garden eg skipping for one minute, running on the spot, bouncing and catching a ball.

Topic – Geography (Mapping skills)

Draw a sketch map of your journey to school and the surrounding area.

You should include: **symbols, road names and a key.**
