- Pre-launch checks

Not long after arrival, ...

Full of **curiosity**, ...

After one last look at the world I was about to leave behind, ...

Nerves fluttered in my **stomach** as ...

The whole time I was thinking about my training **even though** ...

Once the **necessary** checks were complete, ...

Before the final countdown, I took the **opportunity** to...

Paragraph 2

- Final countdown
- What happened as the rocket was launched?
- The first few moments of travel

Just then, coming through my headset, ...

Immediately after, ...

Holding my breath, I listened to the roar of the engines **before** ...

Unsurprisingly, ...

Nothing prepared us for the chaotic start to our historic journey **although** ...

After a while, ...

It was then that we realised ...
