
INTRODUCING THE PIXMORE SCHOOL ASSOCIATION

The PSA is the parent-teacher association for Pixmore Junior School

What is the PSA for? We work to support and raise money for the school. We try and fund those little extras like whiteboards, kits for the sports teams, science equipment and iPads that make a difference to our children's school life. We are a registered charity. As a parent, carer, teacher or other member of school staff, you are automatically a member of your parent teacher association.

Date for your diary

Wednesday 6th October
PSA AGM meeting

7.30pm via Zoom.

We will be reporting back on the last year, electing a committee and starting to plan for 2021/2022. This includes plans for the Christmas Fair!

What are our aims for this year? And building back better...

We have been very quiet over the last school year with limitations on the usual PSA events. However it's time to get started with FUNdraising again, whether that is face to face or online. We will decide some new fundraising aims for 2021/2022 with school.

What can we do as parents and carers?

We would love for you to be involved in whatever way you can. The more you join in, the more we can raise for the school. Come to the events! But also, please consider volunteering. The PSA events cannot run without parent volunteers.

Like many of you, the PSA Committee are working parents. We really need your support to keep the events running and to come up with great ideas.

- ▶ Please sign up to support at events - the Christmas fair is especially busy.
- ▶ Can you help before, during or after for a 1-hour slot? No ongoing commitment.
- ▶ Grandparents are really welcome too!
- ▶ Join us at our meetings. We will publicise them and they are not just for the committee.
- ▶ We also need new committee members - no experience needed!
- ▶ Check out our Facebook page or e-mail pta@pixmore.herts.sch.uk for more details.
