

Year 5 - Homework Spring Term

Amazing Americas

<p>Research and write a biography of a famous person from North America e.g. a president, actor or historic figure.</p>	<p>Make a 'Native American' model and write a label to go with it to explain what it is.</p> <p>You could make a model of a totem pole, tepee, or create some Native American jewellery.</p> 	<p>Choose a state in the USA and create a fact file describing it. Consider:</p> <p>How did it get its name? What is the state capital? How many people live there? What are the major big cities in the state? What is the terrain (landscape) like? E.g. mountains, desert etc.</p>
<p>Find out about different animals which live in the Amazon rainforest.</p> <p>Create a poster to present your findings.</p> 	<p>Create a piece of artwork or poster about a famous American landmark.</p> 	<p>Write a newspaper report about Christopher Columbus returning from his voyage to America.</p> <p>What did he discover? What struggles did he face? How did he feel about his discovery?</p>

Complete at least five pieces of work during the Spring term.
