

Our Mission:  
**Include, Achieve, Inspire**

Pixmore is a happy and safe school where we are:

- 🌿 **Ready to Learn** – we inspire a love of learning to create inquisitive thinkers, conscientious learners, creative individuals and responsible citizens through a broad, engaging curriculum which centres on the needs of every child.
- 🌿 **Respectful** – we respect ourselves and others, the school around us and our local community; we embrace individuality and celebrate culture and diversity.
- 🌿 **Safe** - we believe that happy children who feel safe and secure at school and home engage best in their learning. We work in a calm, friendly and safe environment, where courtesy, common sense and consideration for others is expected. We follow the Pixmore Way to guide us, and to help keep ourselves and other safe.

We expect high standards in all aspects of school life including attitudes to learning and to other people, academic achievements and presentation of work and of self.

We have a positive culture at Pixmore where relationships are crucial to success; we actively encourage the development of healthy, safe relationships through consideration and tolerance, by learning self-discipline and respect for others and our school. We all follow the Pixmore Way.

We are committed to creating an inclusive, interesting and inspiring environment alongside a curriculum rich with opportunities for all to:

- 🌿 Enjoy success and feel valued
- 🌿 Participate in engaging and memorable activities
- 🌿 Practice the Pixmore Learning Powers (PLP)
- 🌿 Build safe and rewarding relationships
- 🌿 Investigate, explore and problem solve
- 🌿 Think analytically and reflectively
- 🌿 Master skills in all subjects
- 🌿 Achieve high standards
- 🌿 Have ownership and choices within their learning
- 🌿 Celebrate individuality
